	MEMORANDUM FOR:	Deputy Director (Administratio	n) 2	5X1A
	SUBJECT:	Certificate of Neo	cessity •		
	for the signature provisions important 25 2. The Public Building warehouse build offices and other provisions are provided to the signature of the signature provided to the	gs Service, GSA, is lings without regard her facilities which	y, under its required only to special recovering as	lease with the to make avail equirements for the control of the co	l. Lable or ed.
25X1A	3. The special construction of offices and facilities in the to meet the requirements of this Agency is in excess of 25 per cent of the first year's rent. As is 25X1A indicated by the attached letter from Mr, the exact cost of these facilities has not yet been determined and is still being negotiated. However, the cost will be reasonable and is subject to review by PBS. In the meantime, the contractor refuses to proceed without specific authorization from PBS for which the attached Certificate of Necessity is required.				
	4. We re	commend that the sign on as possible.	gnature of th	e Director be
